Health, Safety and Environment Policy

Sunds Fibertech is a global developer and supplier of products, automation and services for the panelboard industry.

We are committed to protecting the health, safety and environment (HSE) of our people, partners, suppliers, business contacts and customers, as well as the communities where we operate.

To fulfill this commitment:

- We believe that all incidents can be prevented and pursue the goal of zero harm.
- We provide safe and healthy workplaces for all by eliminating hazards and reducing risks.
- We fulfill compliance obligations and integrate sound HSE management practices into all aspects of our business.
- We design and supply sustainable solutions that help our customers boosting their plants in respect of energy, emissions, capacity and efficiency.
- We implement sustainable travel and transportation of goods.
- We all take personal responsibility and through our values, competencies and behaviours support a safe and healthy working culture.
- We require our partners, suppliers and business contacts to recognize this policy and comply with our quality standards.
- We continually improve our HSE processes and culture to enhance performance.
